

Leventhorpe Options Evening

Year 8 into Year 9

Introductions...

- Mr Kennedy – Head of Year 8
- Mr White – Deputy Head: oversight of the school curriculum
- Ms Copeland – Options Administrator

Email – nc@leventhorpe.net

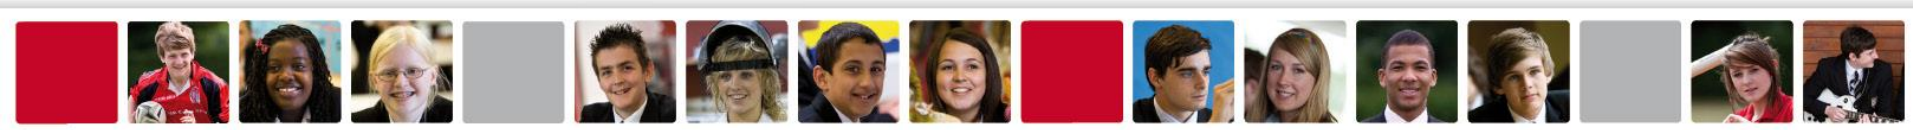

Slides will be posted on the school website...

Purpose of this session

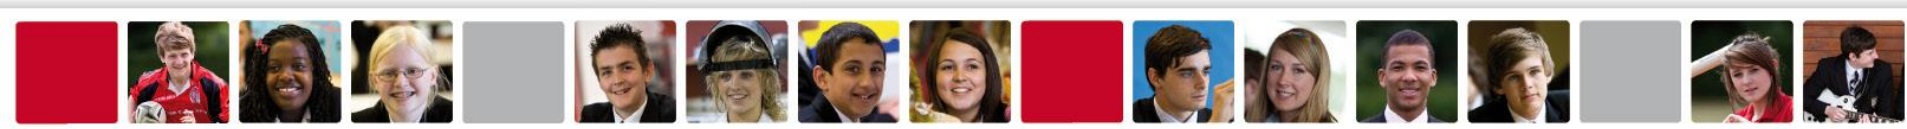

- Explain how we do options at Leventhorpe
- Explain the importance of options
- Explain what is happening to GCSE's

- Answer any questions that you might have

Where are we heading?

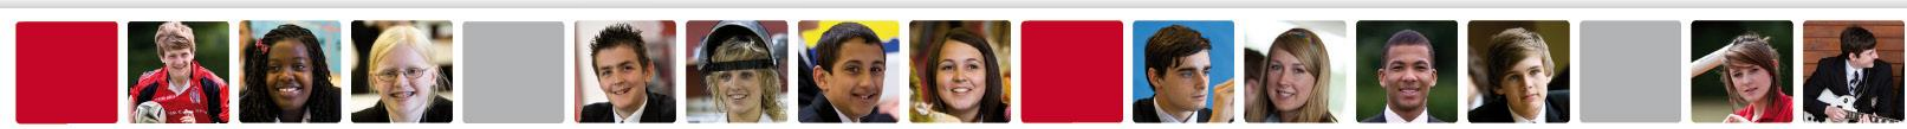

End of Year 11

- Choices made now will impact the subjects you take for GCSE
- These GCSE's will influence what you do after Year 11
- They might shape your future career or your life journey...
- Nothing too important then...

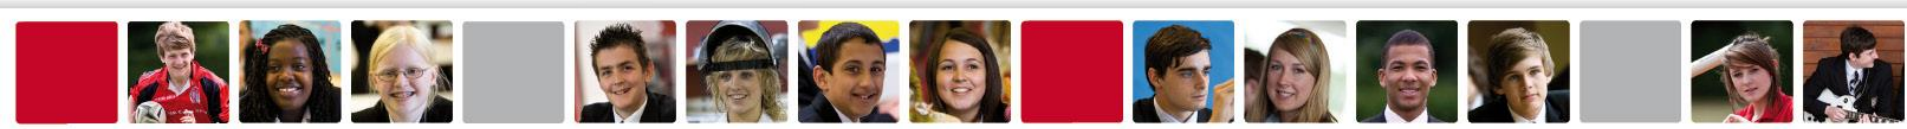

Choices, choices, choices...

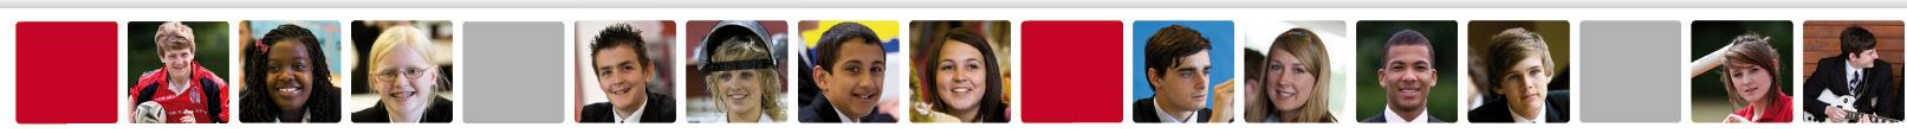

The Year 8 Options Process...

- Evening meeting tonight – booklet and guide
- Subject assemblies – start tomorrow, end Thursday 27th April
- Year 8 Interim Reports – Friday 21st April
- Year 8 Parental Consultation – Tuesday 25th April
- Year 8 Tutor Day – Friday 28th April
- Hand in your form – Thursday 4th May
- Receive confirmation of options in June

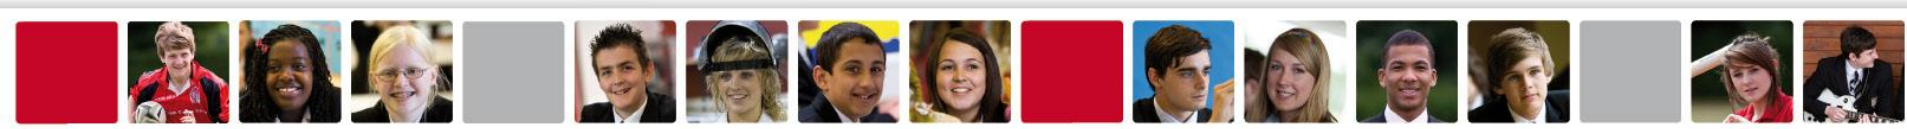

Making the right choices...

- What qualifications do you want/need?
- Will you have a balanced curriculum that will increase options for the future?
- Have you thought about Post-16 education/training (to age 18)
- Are you thinking about university?
- Think about subjects you'll enjoy
- Think about what you are doing well in
- Think about the new subjects, do you think you will be interested?

Leventhorpe Key Stage 4

- We have a three year Key Stage 4
- All students follow a core curriculum
- In Year 9 you will choose seven optional subjects to study
- As you go into Year 10 you will narrow this down to four optional subjects
- Some other schools do it differently, choose four in Year 8, or a two year Key Stage 4

What Subjects are Studied in Key Stage 4?

The compulsory subjects/Core Curriculum

- English
- Maths
- Science
- Physical Education (non-examined)
- PSHE (non-examined)
- There will be timetabled core Religious Studies (RS) in Year 9. RS will be delivered in Year 10 and 11 through PSHE

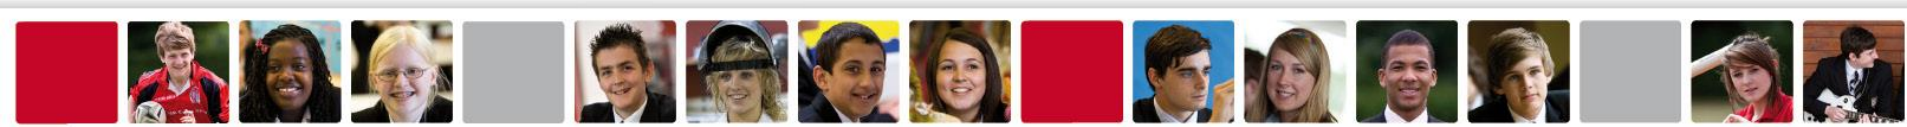

What Subjects are Studied in Key Stage 4?

Optional subjects

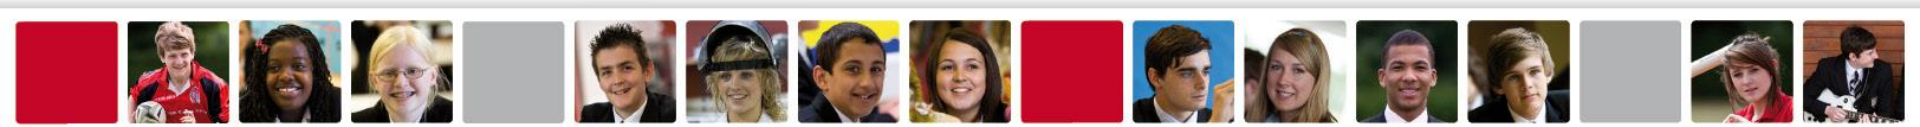

- 13 GCSE subjects
- 1 AS-Level
- 3 Cambridge National courses

Details are in the options booklet.

Summary so far...

	Year 9	Year 10 and 11	GCSE's
Core	English, Maths, Science, PE, RS, PSHE	English, Maths, Science, PE, PSHE	English Language English Literature Maths Double or Triple Science
Options	Seven Options	Four Options	GCSE's or other qualifications in each option

New GCSE's

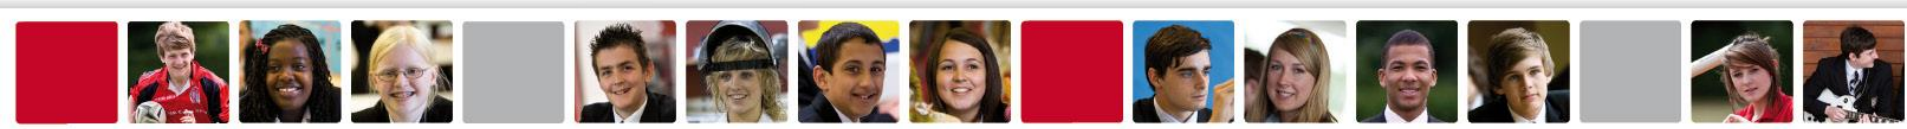

- New GCSE's have been phased in over 3 years starting September 2015
- Current Year 8 will take the new GCSE's in all areas. They will be the second year group to take all new GCSE's

New GCSE's Phase 1	New GCSE's Phase 2	New GCSE's Phase 3
English Maths	History Geography Philosophy and Ethics French Spanish Art Music Drama PE Computing	All Technology Subjects Business GCSE

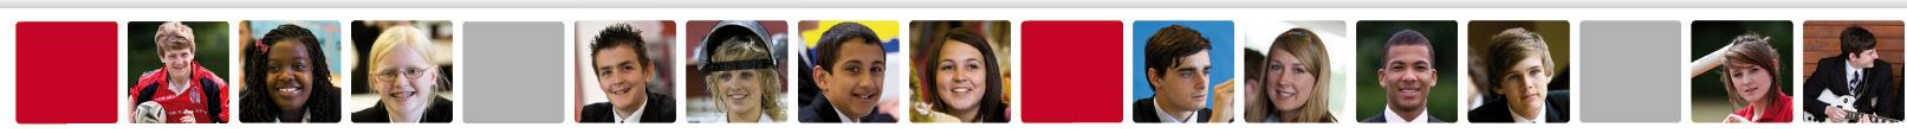

New GCSE's

- Grading of new GCSE's will be 1-9
- Grade 4 = C
- Grade 7 = A
- Grades 1-3 cover what was D-G
- Grades 5-9 cover what was B-A*

What about the English Baccalaureate?

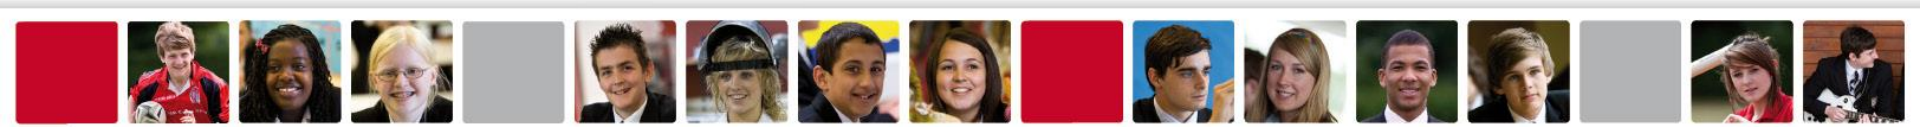

- In 2010 a performance measure for comparing schools was introduced called the English Baccalaureate (EBacc)
- Mainly to address curriculum issues in schools where it was felt that there was a lack of breadth and balance.
- The EBacc is **not** a qualification, but a collection of subjects that is used as a measure for school performance

E-Bacc Subjects

- English language or literature
- Maths
- Two Sciences
- History or Geography
- A foreign language (ancient or modern)

- Government want 90% of students to take E-Bacc
- Many schools have moved to E-Bacc for all
- Governors are reviewing our position

Broad, balanced curriculum...

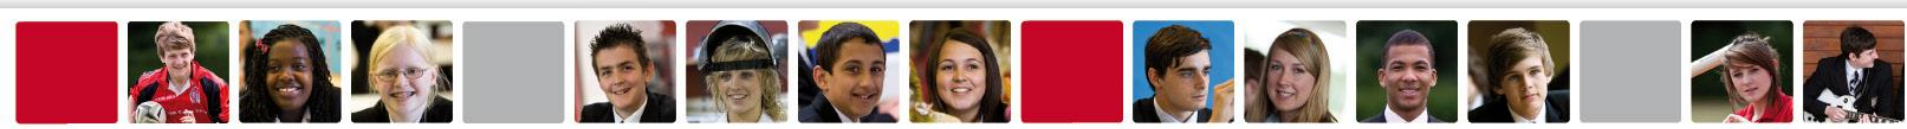

- Think about balance...
- We want you choose one from each of the four 'families of subjects', plus three others from anywhere.

Humanities	MFL	Creative and Expressive	Social Sciences and ICT
History	French	Art	Business Studies
Geography	Spanish	Music	Enterprise
		Drama	Philosophy and Ethics
		PE	Computing
		Technology	ICT/I-Media

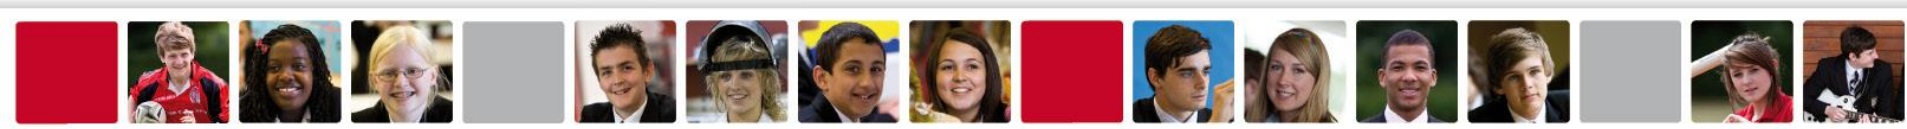

What happens after Year 9?

- You study 7 optional subjects in Year 9 for two lessons per week
- During Year 9 you will choose **4 of these subjects** to continue with into Year 10 and 11
- You need to choose your Year 10 subjects from the ones you have studied in Year 9.

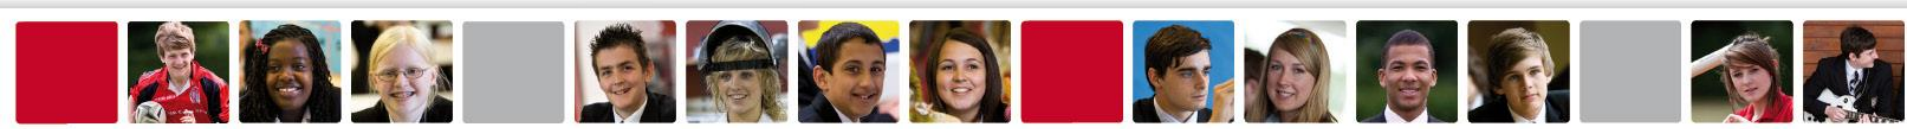

Are there any differences in Year 10 and 11?

- AS Business – first year of the A Level
- Vocational courses at Leventhorpe
Cambridge National Business and Enterprise,
Cambridge National ICT or Creative I-Media
- Vocational course at College – hair and beauty,
construction, motor vehicle. This will be a very
different experience and will take up two of your final
four options
- Technology GCSE's are changing

Think about assessment...

- Practical subjects – PE, Drama, Music all require you to practical assessment that counts towards final grade
- Art and Technology subjects require you to do large projects that count towards your final grade
- Some other subjects used to have elements of ‘controlled assessment’ – this is being taken away from most of the new GCSE’s. Most will be final exams in Year 11
- What do you prefer? Think about your workload...

Talk, talk, talk...

- Talk it through at home
- Talk to subject teachers at the consultation
- Listen to subject assemblies, talk to teachers of the new subjects

- Start with a list of subjects which are definite, start to eliminate some which clearly aren't for you

- Make sure it is balanced and broad in Year 9

- Make sure it's about you, don't just follow what your friends do (we put you into different groups)

- Make sure you get a final 8, 7 plus a reserve

YEAR 9 OPTION CHOICE FORM 2017

NAME:

TUTOR GROUP:

PLEASE DO NOT COMPLETE THIS FORM UNTIL YOU HAVE READ THE OPTIONS COURSE OUTLINES LEAFLET.

In Year 9 all students at Leventhorpe School will study English, Mathematics, Science, Physical Education and PSHE in their core curriculum. Students will also study seven optional subjects.

Keeping Choices Broad and Balanced

As a guide we expect most students in Year 9 to keep to the following guidance. We have grouped the options into four subject groups or 'families'. The definition of 'broad and balanced' will mean they should choose one option from each of the four families of subjects. They then have three free choices which they can choose from anywhere.

Humanities	MFL	Creative and Expressive	Business/Social Science and ICT
History	French	Art	Business Studies*
Geography	Spanish	Music	Enterprise*
		Drama	ICT/I-Media
		PE	Computing
		Technology	Philosophy and Ethics

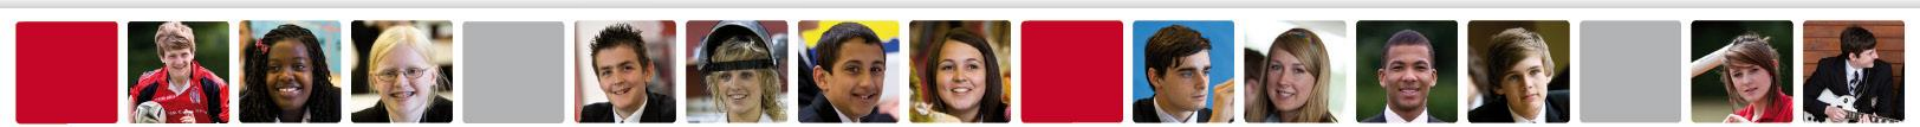

*Students can choose either Business or Enterprise, **not both**.

We will allocate the subjects giving preference to the higher priority choices wherever possible.

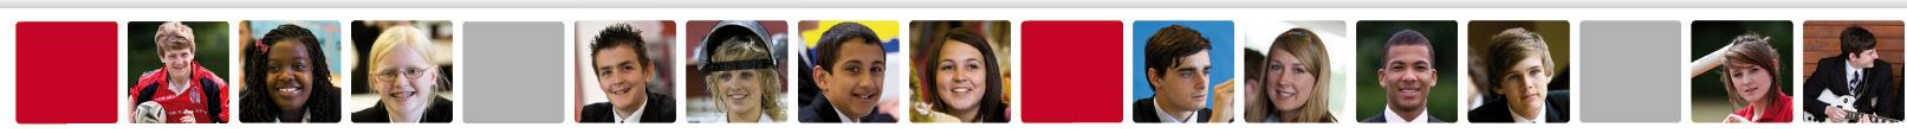

Choice	Subject
1 Humanity	
2 MFL	
3 Creative/Expressive	
4 Business/Social Science/ICT	
5	
6	
7	
Reserve	

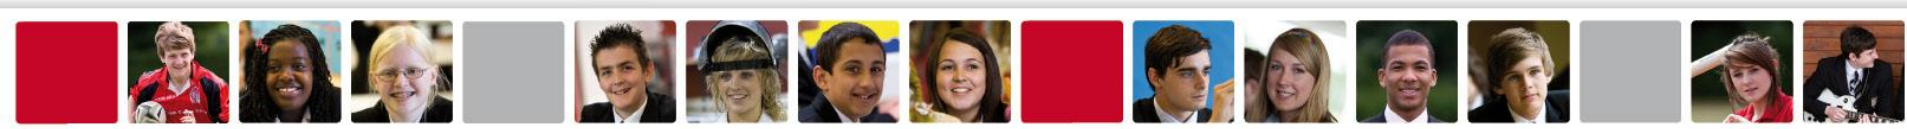

Typical option blocks

Block A	Block B	Block C	Block D	Block E	Block F	Block G
History	Art	Enterprise & Marketing	Art	Geography	ICT/I-Media	Technology
French	French	Computing	Business Studies	History	PE	Technology
Music	Business Studies	PE	Music	Philosophy & Ethics	Technology	Drama
Spanish	Drama	History	Geography	PE	Technology	Enterprise & Marketing
	Geography		History	Spanish		Spanish

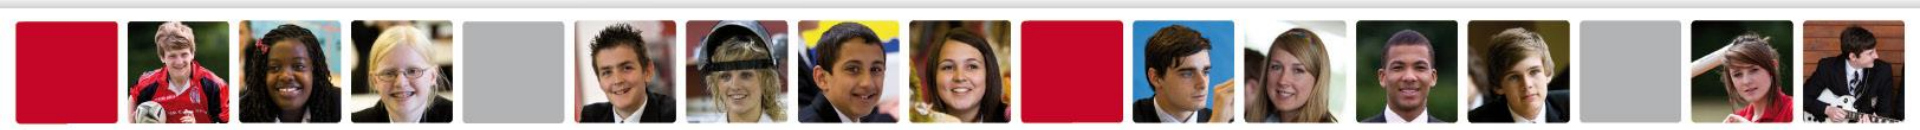

Options form...

- List 1-4 from the subject families, then rank subjects in order of preference 5-7, plus a reserve
- Be honest in this, we will use the ranks to decide the options blocks and which subjects you will get, if you can't get your top 7
- Some subjects have limits on numbers
- We cannot guarantee choices, we will use the rankings you give to make the allocations
- If you change your mind, talk to Ms Copeland. Some changes will be fine, some we might not be able to do. Keep us informed.
- We will talk to students if there are issues with allocating your choices, or if we feel your choices are too narrow.

Next steps...

- Subject assemblies – end 27th April
- Year 8 Interim Reports – 21st April
- Year 8 Parental Consultation – 25th April
- Year 8 Tutor Day – 28th April
- Hand in your form – 4th May
- Receive confirmation of options in June

Good Choices help...
